Parva Farm Vineyard

Parva Farm is a privately owned and run vineyard in the village of Tintern, South Wales. The vineyard produces award-winning wines, meads and sparkling wines for all occasions.

Dean Forest Railway

The Friendly Forest Line! The 4 1/2 mile line runs through beautiful woodland and countryside offering visitors a chance to experience the relaxing pace of a typical country branch line. With 5 stations along the way you'll have time to explore the local area, taking in woodland walks and country pubs or venturing down to the Severn estuary to explore Lydney Harbour with its fantastic views across the Severn.

The Sculpture Trail

Established in 1986, this four mile long Sculpture Trail was one of the first to open in the UK. The Trail features sculptures created by artists to interpret the Forest environment and the history of this very unusual landscape. It provides a unique opportunity to walk through the woodlands and discover art along the way. Perfect for all ages and abilities, you don't need to know about art to enjoy what you see.

Elton Giant Mazes & Activities Maze

3 giant maize mazes with hidden objectives to find. Do the Quiz or climb look out towers. OK for pushchairs & all ages. Picnic site, snacks and games area. Great for Birthday treats and parties. BBQ.

There are lots of other great activities and places to visit. Take a look at the [“Dog Friendly”](#) page of DeanWye Tourism’s website.
